

E&S BROKERAGE CONSTRUCTION

Exceeding expectations with claims excellence

At Nationwide, we take pride in delivering on our promise through our superior claims handling.

Our dedicated, in-house Claims teams understand the nuances of construction primary and excess claims. They provide the specialized and personalized support the insureds require. At Nationwide, we:

Comprehend construction industry standards with timely investigation and robust defense of our insureds.

Offer dedicated service with experienced claim professionals licensed in all 50 states.

Leverage our long-standing relationships with the construction industry's top defense law firms and individual attorneys across the country to attain top outcomes for insureds.

EXPERTS IN COMPLEX, HIGH-EXPOSURE CLAIMS

Our claims team members have the expertise and certifications required to support claims of all size, from small contractors to multinational construction firms.

With our claims teams specialized expertise, we're able to provide each claim with the team members who are best equipped to navigate its unique circumstances whether it be a worksite injury or a complex construction defect matter. In addition to dedicated service areas, claims associates have different levels of experience, too, and our most seasoned professionals are available to handle the most complex, high-exposure claims that come in.

With this tailored approach, we also offer brokers a single point of contact for each claim, so they know who to contact for help when a need arises.

BACKED BY THE STRENGTH AND STABILITY OF NATIONWIDE

Finally, our unparalleled claims service is backed by more than 40 years of dedicated claims experience. We're proud to receive recognition year after year for the exceptional performance, leadership and service we deliver to our partners.
